Whisk your family away on an adventurous festive holiday and stay at ZuluWaters Game Reserve in the heart of the Kwa-Zulu Natal Midlands.

Children and adults will love experiencing horse-back safaris, white-water rafting, clay pigeon shooting and fly-fishing at this family retreat, only four hours from Johannesburg and two hours from Durban.

The 7000 acre reserve is host to a multitude of wildlife including Cape Buffalo, Cape Eland and other plains game that reside in the thickets of Afromontane forest, thorn bush and open savannah. Families can also experience exciting night-

drives where they can spot Leopard, Brown Hyena, Aardwolf and the elusive, ghost-like wild Bush Pig.

The lodge has three accommodation experiences, each with its own unique charm. Shaka Lodge is characterized by calm, contemporary, indigenous design and sleeps three couples comfortably. Nandi House, situated next door sleeps four in two en-suite bedrooms. Nandi House can be used as a separate self-catering unit or as an add-on to Shaka Lodge. The romantic

Lake Cottage, tucked away in the heart of the reserve, provides incomparable privacy and time for a couple to appreciate the area's natural beauty.

Large hills, valleys and 15km of Bushman River frontage offer families an impressive example of African nature, wilderness and wildlife.

Adventure activities for the whole family include kayaking, fly-fishing, paint-ball, white-water rafting, hot-air ballooning and helicopter rides.

More traditional pursuits like game drives, tennis, clay pigeon shooting, birding and in season wing shooting are also offered at the lodge. Guests can choose to experience different trail and nature walks, and discover some of the rare San Rock Art of the area.

The striking eco-award winning lodge brings guests "veldt to fork" food pleasures. Each meal offers guest's true organic

fare that is planted, grown, created and prepared on the ZuluWaters reserve.

The lodge also arranges relaxing spa treatments as well as cooking classes for mums and dads. A choice of wines from the extensive cellar and private collection allows discerning wine connoisseurs to select their wines. A baby-sitting service is also available by prior request.

ZuluWaters is the perfect city-escape holiday and combination of nature, luxury and adventure for the whole family.

ZuluWaters has its own private grass airstrip for those wishing to be chartered directly to the Reserve.
